TERMS OF SERVICE FOR VTOURHOMES.COM VIRTUAL TOURS AND SERVICES

All orders for virtual tour services of VtourHomes.com are subject to the following terms and conditions.

VtourHomes.com will provide to client the digital photography of designated real property listings. VtourHomes.com will convert each photographed room or scene into one virtual tour image ("Virtual Tour scene"), which VtourHomes.com will make available for linking and /or will submit for posting to certain web sites. Each scene is comprised of a single image in a .jpg format that is used with free and widely distributed viewer software such as but not limited to PTViewer or the Zoom Viewer from MGI Software to create panoramic images viewable in any Java enabled browser (equipped with the latest run time environment).

The standard virtual tour consists of up to 21 photos photographed of rooms or scenes for a single commercial or residential resale living unit. All photos must be resized to 320 x 225 in pixels before being uploaded to the vtourhomes.com website. VtourHomes.com will make available a URL for linking to the virtual tour and host the images at that address. The completed tour will be hosted as long as it is active in the Multiple Listing Service or for whatever period agreed to by both parties. Only Active Listings can be displayed in the public area of the VtourHomes.com website. Inactive listings must be hidden from view from the public area of the website or deleted. VtourHomes.com reserves the right to discontinue service for any virtual tour at any time, for any reason. Images may not be reassigned to another agent. Agent is responsible for updating virtual tour information and removing or deleting the tour from servers via the interface provided upon removal from the MLS or change in status that would require the tour to no longer be active. If an interface for automatic removal is not available it is the agent's responsibility to request the removal of the tour via email to: administrator@vtourhomes.com.

VtourHomes.com will provide via administration area of the website a web address for the virtual tour. This address can be used to link listing data to the tour. VtourHomes.com accepts no responsibility as to the successful posting of the images to these third party sites. This link can be used for the purpose of enhancing listing data in any web site.

VtourHomes.com may charge extra fees for additional Virtual Tour Images or expenses incurred for parking fees. VtourHomes.com reserves the right to use any of the images created as part of this service in portfolios, scenes, resale, or works for hire and retains the rights to any and all intellectual property created as part of this service.

The Agent, the homeowner, or the agent's licensed assistant must be present to accompany the photographer during the time of the photography.

VtourHomes.com will make all reasonable efforts to post the virtual tour within (2) two business days of the shoot. Virtual Tours should be rescheduled at least 48 business hours in advance. Cancellations must be made at least 24 business hours before the appointment. VtourHomes.com reserves the right to refuse service to any person or entity for any reason.

There are no mechanisms in place to allow previewing of tours prior to their completion and VtourHomes.com cannot guarantee the clarity or lighting of Virtual Tours. When possible we will adjust the lighting using available the sources provided. Results will vary based upon these circumstances.

REFUND POLICY: Once the Virtual Tour has been posted to the internet, the Agent has 10 days to evaluate the quality of the Virtual Tour and request a partial refund. Parking fees will not be refunded. Refunds will not be issued due to a sale of the property or accepted offer of the property within the 10 day evaluation period.
